

St Mark's College

Annual Giving

2019

ENRICHING THE LIVES OF STUDENTS TO
HELP THEM ACHIEVE THEIR POTENTIAL

A message from the Master

Thank you to all our generous donors during 2018. We were successful in raising over \$50,000 towards the refurbishment of our Learning Commons, realising another piece in the College's Master Plan – a vision to enhance student accommodation and learning spaces to maintain appeal as a modern and progressive College.

St Mark's provides a complete university experience – one that is shaped by the opportunities to engage in the academic, community service, social, cultural, music, sporting, spiritual, and intellectual life of a busy residential learning community.

The College is committed to excellence in everything that we do, strength of community, respectful relationships and diversity of thought and background. The value of learning with and from those who are different from us remains central to our culture, and we are committed to providing the best opportunities to students from many backgrounds according to their ability to benefit from College life.

It is an exciting and defining time in our history as we approach the College's centenary, and this year, I seek your support in three key areas: scholarships, music equipment and the J C Bannon Oration.

With your gift to Annual Giving, you have the opportunity to join us in creating a world class college experience for all the students of St Mark's and to be part of our campaign community.

Thank you for your contribution.

Kind regards

A handwritten signature in black ink, appearing to read 'Rose Alwyn', with a long horizontal stroke underneath.

Rose Alwyn

St Mark's College

Entry Scholarships

The St Mark's Entry Scholarships create pathways for exceptional students, whose talents extend beyond just academic excellence. The St Mark's Entry Scholarships ensure that financial circumstance is never a barrier to realise their potential. For many of these students, financial support from St Mark's may be the only way they can attend university. It is inspiring to see what these students achieve during their time at St Mark's, and with your support we are looking to extend our reach to an even greater number and diversity of students.

Indigenous Scholarships

We are actively committed to increasing the number of Indigenous students at St Mark's by building on the generous Studd Bursary currently available for Indigenous students. Your support in this area will enable us to assist even more Indigenous university students to thrive with a St Mark's experience.

Music Equipment

With a growing number of musicians at College, including those studying at the Elder Conservatorium of Music, we seek your support to raise funds to purchase updated sound and music equipment. Your donation will provide current and future students with state-of-the-art quality equipment to enhance their music learning and performance.

**“Giving is not just about making a donation,
it's about making a difference.”**

Kathy Calvin

The J C Bannon Oration

The J C Bannon Oration was established to honour the late Honourable Dr John Bannon AO and his contribution to public life in South Australia, as an historian, academic and as the seventh Master of the College.

Delivered by key individuals who are experienced and distinguished in their field, the Oration will cover a wide range of topics from politics and public affairs to defence, the arts, sport, history, the professions, science, technology and the natural environment. Your contribution will assist the College to attract high calibre speakers to future Orations.

“I have bigger dreams and ambitions than ever before, and truly believe I will achieve greater success from having lived at St Mark’s.”

Current student

In addition to the key focus areas, there are a number of other areas to donate to as part of our 2019 Annual Giving campaign.

- ◆ Library Fund
- ◆ Master’s Discretion
- ◆ Buy-a-Brick
- ◆ Bequest

Thank you for helping to strengthen the College’s future. Your donation will help make a tangible difference to the lives of our students and our College community.

All donations to St Mark’s College are tax-deductible.

For further information please contact Sarah Hampel, Director of Development and Marketing, on 08 8334 5604 or sarah.hampel@stmarkscollege.com.au.
